ASSIST. PROF. PETKO TODOROV, PhD

Affiliation

Institute of Electronics, Bulgarian Academy of Sciences, lab. “Laser systems”
boul. Tzarigradsko shosse 72
1784 Sofia, Bulgaria
petkoatodorov@yahoo.com

Education

Sofia University “St.Kliment Ohridski”, Faculty of Physics, specialty “Laser physics and optics”

Main research area

physics, optics, molecular and atomic physics, single frequency and frequency stabilized lasers, high resolution laser spectroscopy, Van der Waals interaction near surface

Specializations

University Paris 13, Laboratoire de Physique des Lasers, Paris, France, 24 months (year)
Institute for Physical Research, Ashtarak, Armenia, 40 days (2016)
